

A<sup>7</sup>  
In step 2250, the next 2-bytes of data from the input stream are copied into TCP  
checksum field 1456 at offset 50. The process then proceeds to decision step 2252 in  
FIG. 22B.

***In the Drawings:***

Please substitute formal drawing sheets for FIGs. 22A and 22B, submitted herewith, for  
the pending informal drawing sheet for FIG. 22.
